The person dealing with this matter is Mr Richard Turek

Dear Sir/Madam

**TOWN AND COUNTRY PLANNING ACTS**

**The Royal Charlotte Public House 38 - 40 Station Road Crayford**

**Alterations to the existing public house including a refurbishment of the ground floor to provide a bar/cafe, first floor rear extension and alterations to roofline incorporating two side dormer extensions to provide 3 residential units comprising 1 x studio flat , 1 x 1 bed flat and 1 x 2 bed flat.**

***Update regarding the application for this development.***

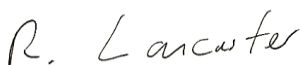

I refer to previous correspondence regarding the above application and I write to advise you that the description of the proposed development has been revised. The application remains available for inspection electronically at the above offices between 9 a.m. and 5 p.m. Monday to Friday.

If you have Internet access you can view the application, and submit any observations on the proposal, using the *Planning Application Information Online* system on the Council's website using the following link:- <http://www.bexley.gov.uk/article/2638/View-planning-applications-online> .

If you wish to make observations, either in support of or against the amended proposal, you should submit them within **14 days** of the above date quoting the application reference number. Observations received after the 14-day period will be considered provided they are received before the application is decided. Any observations already made regarding this application will be taken into account.

You may want to send a copy of your observations to the CRAYFORD Ward Councillors, **Councillor G A Lucia-Hennis, Councillor C Bishop, Councillor J Davey**, at the Members Room, Civic Offices, 2 Watling Street, Bexleyheath, being the Councillors for the Ward in which the application site is located. Councillors who are on the Planning Committee will not be able to comment on the application. For further Councillor details go to <http://democracy.bexley.gov.uk/mgMemberIndex.aspx?bcr=1>

Yours faithfully

Head of Development Management
