## ***News Release***

**For Immediate Release**

**12 May 2016 / PR 8316**

### **HOW ARE WE DOING?**

Local people are being invited to tell the Council what they think of the services it provides.

You can give your views using a short online or paper survey. It takes only around 5 minutes to complete and will run until 12 June.

“We have been working hard to adapt to changes in government funding while focusing on the things that people say matter most to them,” said Council Leader Cllr Teresa O’Neill OBE. “This has involved some tough decisions, but we aim to give priority to keeping vulnerable people safe and providing other important local services.

“We hear from some people who are very happy or unhappy about our services, but we want to hear from as many people as possible based on their personal experience of services like refuse collection, street cleaning and education.

“The results will help us identify where things need to improve.”

The online survey is available via the Council’s website at [www.bexley.gov.uk](http://www.bexley.gov.uk)

Paper copies will be available shortly in libraries.
