For Immediate Release: 06 July 2018

## **Erith Kitchen street food fair**

This summer experience a culinary extravaganza as the Erith Kitchen street food fair comes to Pier Road, on Friday 20 July from 4–9pm.

Come along and taste fantastic flavours from around the world, including homemade Italian gnocchi, pizza, African and Caribbean food and a unique ice cream experience, luxury alcohol infused and alcohol free ice creams and sorbets.

Stay cool in this hot weather with some refreshments at the 'Not just Gin' bar. This Vintage Horse Trailer turned fully self-contained bar works with start-up distillers from across the UK to provide premium spirits and mixers, beer and wines.

Relax and listen to musicians Tim White and Daran Francis against the backdrop of Erith's riverfront. As well as bringing people up close to the Thames, Erith Kitchen hopes to evoke Erith's history as a place of riverside leisure.

Cllr Louie French, Bexley's Deputy Leader and Cabinet Member for Growth said:  
"We want residents and visitors to come and enjoy Erith's unique setting by the River Thames and its untapped potential. Erith is one of the main locations that will benefit from our ambitious growth strategy for the borough, with an ongoing programme of regeneration aimed at developing the town into a thriving riverside community."

The Erith Kitchen has been organised as part of the Greater Erith Regeneration programme and follows a successful programme of events last year at the Erith Lighthouse. For more information go to [www.greatererith.com](http://www.greatererith.com)
