# THAMESMEAD & LESNES POLICE SURVEY

This is aimed at people who live or work in Thamesmead & Lesnes Abbey regarding crime and policing of your area. Your answers will help us shape how we police your area.

This survey should not take longer than 5 minutes to complete.

## WHY TAKE THE SURVEY?

There are over 4,500 properties in your ward housing over 12,000 people. It is not possible to speak to everyone. A survey allows a larger selection of people to give their opinion and views about the area.

Whether it's drugs, nuisance bikes or criminal damage, we are here to listen to your concerns and work towards resolving them.

If we do not know about the issue, how can we deal with it?
